++ Valid for broadcast between 1800 and 0600

Headline:
A dry night tonight.

This Evening and Tonight:
A mostly dry night with variable amounts of clear spells and cloud as any showers in the south of the region fade. Feeling cooler than recent nights, especially in sheltered rural areas. Minimum temperature 7 deg C (45 deg F).

Monday:
Some sunny spells at times on Monday but a few showers are still possible. Largely fine and dry during the evening. Feeling cool in northern parts. Maximum temperature 19 deg C (66 deg F).

Outlook for Tuesday to Thursday:
Turning more unsettled in the week to come. Tuesday will see scattered showers, and Wednesday the same but slightly heavier. Outbreaks of rain on Thursday, heavy at times.
